

Compliance Review and Interpretations Committee
Minutes from the 02/11/10 meeting

Chairman Tony Mastin called the meeting to order at 10 AM Central. All members were present except Mr. Myles Vosberg and Senator Luke Kenley.

The interpretation request from Mr. Thomas Haines concerning the definition of soft drinks:

Mr. Thomas Haines said that two states have given different responses to whether unsweetened flavored water is included in the soft drink definition. He is asking for an interpretation on whether the definition of soft drinks includes products with natural flavor and natural additives but not any sweetener.

Mr. Larry Wilkie moved, and Mr. Richard Cram seconded, to accept the interpretation request. The motion to accept the interpretation passed unanimously on a roll call vote.

There was no new or old business and the Chairman adjourned the meeting at 10:07 AM.
