Re: Annual Review Comments

Dear Mr. Vosberg:

Please find the enclosed comments to 2012 Annual Review spreadsheet. I have also enclosed a revised Taxability Matrix and Certificate of Compliance.

We have made the suggested changes in the Taxability Matrix and Certificate of Compliance. In regards to the treatment of remotely accessed prewritten software, Vermont believes its treatment of remotely accessed software is in compliance with the SSUTA, as set forth in the SLAC Workgroup Paper published on September 18, 2012.

If you have any questions, please feel free to contact me.

Sincerely,
