President John Doyle
c/o Scott Petterson, Executive Director
Streamline Sales Tax Governing Board
4205 Hillsboro Pike, #305
Nashville, TN 37215

Dear President Doyle:

On behalf of Missouri Municipal League, which represents 660 Missouri municipalities, we urge the Streamlined Sales Tax Governing Board to delete the sunset clause for the alternate origin sourcing provision. We believe that Missouri will join in time; remember we are the Show Me State. However, if the alternate sourcing expires, it would be highly unlikely that Missouri would join.

Thank you for your consideration.

Sincerely,

Missouri Municipal League

Gary Markenson
Executive Director
