RE: Streamlined Registration for Nevada

Dear Taxpayer:

On behalf of the State of Nevada and as a voting member to the Streamlined Sales and Use Tax (SSUT) Implementing States, I want to confirm that you have successfully registered with the State of Nevada. We look forward to working with you during this transition period from registration through return/payment processing. The success of the SSUT Project is due in part based on your willingness to register, and more importantly, your commitment in supporting the streamlining of the sales tax nationwide.

Please visit our website at <http://tax.state.nv.us> to learn more about what we have to offer in the way of taxpayer service and the commitment we have made to the project. More specifically, please review our taxability matrix and the recently updated rates and boundaries database. If you have indicated in your SSUT registration that you will not have sales in Nevada, then you do not need to file sales and use tax (SUT) returns for Nevada according to the Streamlined Sales and Use Tax Agreement (SSUTA). However, please be aware if you do have any sales in Nevada then you will need to file SUT returns with the State of Nevada in accordance with the SSUTA. If you desire to file online you can visit our website and click on the "Nevada Tax" logo. If you have questions for online filing please view the step by step guide located on the "Nevada Tax" page.

Should you have any questions, comments and/or suggestions, please do not hesitate to contact Guy Childers at 702-486-3921. Thank you in advance for your cooperation in this process.

Sincerely,

William Chisel, Executive Director
Nevada Department of Taxation
