

I am writing to confirm Ohio's receipt of the registration for a streamlined sales tax account by ABC Company, **S12345678**. The technology model chosen was none/other. ABC Company has been registered as an Ohio vendor since **March 31, 2012** and has been filing Ohio sales tax returns under account **99-000000**.

**ABC Company** will continue to file on a **semi-annual** basis under 99-000000. You can file and pay your return online through the Ohio Business Gateway.

Should you have any additional questions please feel free to contact me.
