

RE: SST ID ---- S00000000

Thank you for registering with the State of Utah through Streamlined Sales Tax. If you are registering for the FIRST time as a volunteer seller, an entity with no existing requirement to collect tax and file in Utah, you may keep 18% of the Utah sales and use tax you collect. If you have nexus in Utah, you are NOT eligible for the credit.

In order to keep the 18% remote seller credit, you must file and pay your tax return electronically. You may register and use our secure Taxpayer Access Point (TAP) to file and pay online at taxexpress.utah.gov. We will send you a letter that contains your Utah Account ID and your PIN so you can file with us online.

You may register with a Certified Service Provider (CSP). They will file a Simplified Electronic Return (SER) and pay the tax on your behalf. See the SST registration site for information about CSPs.

You may NOT keep the 18% remote seller credit if you file your return using paper.
