

A motion by South Dakota and Tennessee to adopt rule relating to the definition of sales price in the SSUTA Appendix C Library of Definitions Part 1:

ARTICLE VII – REQUIREMENTS EACH STATE MUST ACCEPT TO PARTICIPATE

Rule 327.7 Sales Price.

Discounts not included in “sales price” include but is not limited to reductions in the total amount of consideration for which personal property or services are sold, leased or rented to an employee that is made available to all employees and is not awarded or earned in return for achieving goals or job performance levels or cannot be converted to a cash award.
