Phone Number:

**Instructions:**

This Matrix lists the statutory exemptions *and* exclusions available in the state for the effective period designated herein. *Please contact us as indicated above if further information is needed.*  
 The following information will not quote verbatim from state statutes or rules and may not necessarily cover every provision set forth in state law.  
 This information should not be used as a substitute for the formal text of the state statutes, rules or policy statements.  
 \* Dates column in **new legislation category** applies only to periods within the effective period of this matrix.

Check the appropriate box. Select only one.

- Tax is imposed on all tangible personal property unless exempted or excluded by law. However, tax is imposed only on services that are specifically enumerated in state statutes. See the Sales and Use Tax Matrix for Taxable Services for further details.
- Tax is imposed on all tangible personal property and all services unless specifically exempted or excluded by statute. See below for listing of statutory exemptions or exclusions.
