

A motion by Kansas to allow the Business Advisory Council and the State and Local Advisory Council to propose amendments to the Agreement:

Section 901: AMENDMENTS TO AGREEMENT

Amendments to the Agreement may be brought before the governing board by any member state, the State and Local Advisory Council, or the Business Advisory Council. The Agreement may be amended by a three-fourths vote of the entire governing board. The governing board shall give the Governor and presiding officer of each house of each member state notice of proposed amendments to the Agreement at least sixty days prior to consideration. The governing board shall give public notice of proposed amendments to the Agreement at least sixty days prior to consideration. The governing board shall provide an opportunity for public comment prior to action on an amendment to the Agreement.
