Section : DUE DATES FOR RETURNS, REMITTANCES AND DOCUMENTS

Each member state shall provide that if a due date for any return, remittance, or other tax report or document required to be filed for taxes subject to this Agreement falls on a weekend day, federal holiday, legal banking holiday or state holiday in a member state, the return, remittance or other report or document is due to the state on the next succeeding day that is not such a day. This section also applies to the due date for filing any documents pursuant to (1) this Agreement, (2) its rules, (3) to the Governing Board, including its Executive Director, (4) a committee of the Governing Board, (5) and the State and Local Advisory Council.

Section 319: UNIFORM RULES FOR REMITTANCES OF FUNDS

The state shall allow the amount of any additional remittance to be determined through a calculation method rather than actual collections. Any additional remittances shall not require the filing of an additional return.
- B. Require, at each member state's discretion, all remittances from sellers under Models 1, 2, and 3 to be remitted electronically.
- C. Allow for electronic payments by both ACH Credit and ACH Debit.
- D. Provide an alternative method for making "same day" payments if an electronic funds transfer fails.
- ~~E. Provide that if a due date falls on a legal banking holiday in a member state, the taxes are due to that state on the next succeeding business day.~~
- ~~F. Require that any data that accompanies a remittance be formatted using uniform tax type and payment type codes approved by the governing board.~~
