## **Section 318: UNIFORM TAX RETURNS**

Each member state shall...[\[unchanged text removed\]](#)

E. Adopt [a-web services as the](#) standardized transmission process ~~to~~[that](#) allows for receipt of uniform tax returns and other formatted information as approved by the governing board. Such a process will provide for the filing of separate returns for multiple legal entities in a single transmission for each state and will not include any requirement for manual entry or input by the seller of any of the aforementioned information. This process will allow a certified service provider, a tax preparer, or any other person authorized to do so, to file returns for more than one seller in a single electronic transmission. However, sellers filing returns for multiple legal entities may only do so for affiliated legal entities.

[States shall comply with this provision by January 1, 2019.](#)
