Section 801: ENTRY INTO AGREEMENT

A. After the effective date of the Agreement, a state may apply to become a party to the Agreement by submitting a petition for membership and certificate of compliance to the governing board. The petition for membership shall include such state’s proposed date of entry. The petitioning state’s proposed date of entry shall be on the first day of a calendar quarter. The proposed date of entry shall be a date on which all provisions necessary for the state to be in compliance with the Agreement are in place and effective.

B. The petitioning state shall provide a copy of its petition for membership and the certificate of compliance to each member state when the petitioning state submits its petition for membership to the governing board. A petitioning state shall also post a copy of its petition for membership and certificate of compliance on that state’s web site.

C. A state that petitions for membership after January 1, 2007, that is found to be in compliance pursuant to Sections 804 and 805 of the Agreement except that the changes to their statutes, rules, regulations or other authorities necessary to bring them into compliance are not yet in effect, shall be designated an associate member effective on the first day of the calendar quarter that is not more than twelve months before its proposed date of entry as a member state. Such twelve month period may be extended to eighteen months if the governing board, by unanimous vote approves such extension. Such extension shall be granted only if the petitioning state can present adequate justification of the necessity for the future effective date and that the application of the future effective date beyond twelve months is limited to the provisions of the law for which such necessity is demonstrated. Such states shall be subject to the annual recertification requirement set forth in Section 803 of this Agreement for all issues other than the delayed effective date issues identified at the time the state becomes an associate member. Extensions of effective date delays beyond those identified at the time the state becomes an associate member shall require the state to submit a statement of non-compliance pursuant to Section 803. Provided the statues, rules, regulations or other
authorities remain in effect, the state shall automatically become a member state on the state’s proposed date of entry.

D. A state which becomes an associate member after January 1, 2007 shall forfeit its status as an associate member on the date provided for compliance pursuant to subsection C of this section, if the state’s laws are not in compliance at that time. A state that forfeits its status as an associate member because it has extended its effective date for required law changes beyond the date set forth in its petition for membership may not file another petition for membership for a period of twelve months after such state forfeits its status as an associate member.

Compiler’s note: On June 23, 2007 subsections A and B were numbered and subsections C and D were added. These changes became effective upon their adoption.
