Dear Mr. Peterson:

Pursuant to the associate membership requirements of Section 801(C) Tennessee is submitting the 2009 certificate of compliance and taxability matrix in accordance with Section 803 of the SSUTA. This letter is submitted to highlight the changes in Tennessee Sales and Use Tax statutes involving areas of compliance and noncompliance with the SSUTA.

In 2007 and 2008 the General Assembly approved numerous Streamlined changes to Tennessee's sales and use tax statutes that became effective January 1, 2008 and July 1, 2008. In 2009, the General Assembly made no changes to Tennessee's Streamlined conforming legislation that became effective in 2008. Such Streamlined conforming legislation includes:

- registration of 93,000 farmers for exemption to facilitate repeal of a multiple state tax rate, a threshold, and a non-uniform state and local tax base;
- provisions for the central registration system;

- providing relief of liability for erroneous information on rates, boundaries, jurisdiction assignments and the taxability matrix for sellers, purchasers, and CSPs;
- telecommunications sourcing with the exception of prepaid calling services;
- exemption administration except for drop shipments;
- use of the SER for any taxpayer with no location in the state;
- uniform remittance procedures;
- uniform recovery of bad debts;
- uniform sales tax holiday definitions and procedures;
- uniform rounding rule;
- uniform customer refund procedures;
- providing amnesty pursuant to the SSUTA;
